Please provide copies of all documents related to the determination referred to in your memorandum, including but not limited to correspondence, emails, message traffic, memoranda, status reports, PowerPoint presentations, and legal analyses.

This request extends to all communications within the Army, including but not limited to the Office of the CSA [Chief of Staff of the Army], Army Staff, Public Affairs, Human Resources Command, FORSCOM [U.S. Army Forces Command], OTJAG [Office of the Judge Advocate General], USALSA [U.S. Army Legal Service Agency], Criminal Law Division, Administrative Law Division, and OCLL [Office of Congressional and Legislative Liaison].

It also extends to all communications to or from any trial counsel [*i.e.*, military prosecutor] in [plaintiff's client's] general court-martial, DFAS [Defense Finance and Accounting Service], the White House, the National Security Council, any Senator or Member of Congress, House or Senate committee and staff, and any member of the public.

7. By further email later that day, plaintiff added a request that the search include records of the Office of the Deputy Chief of Staff of the Army for Personnel.

Defendant has released to plaintiff two batches of responsive records, but has not released any that were sent to or received from the White House, National Security Council, Senators, Members of Congress, congressional committees and staff, the Office of the CSA, OCLL, DFAS, and members of the public.
